

# Calibrate sollicitatie test

Het is de bedoeling dat je een kleine D8 website opzet waaruit de gevraagde competenties blijken.

Analoog aan de wireframes zet je een Drupal 8 website op met 3 content types.

- News
- Articles
- Offices

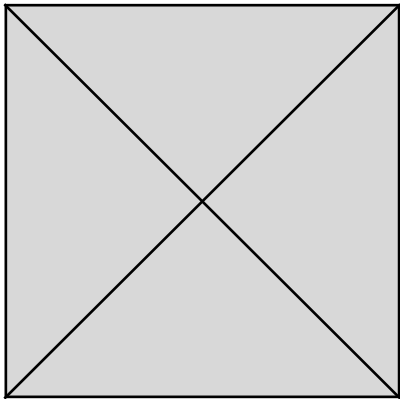

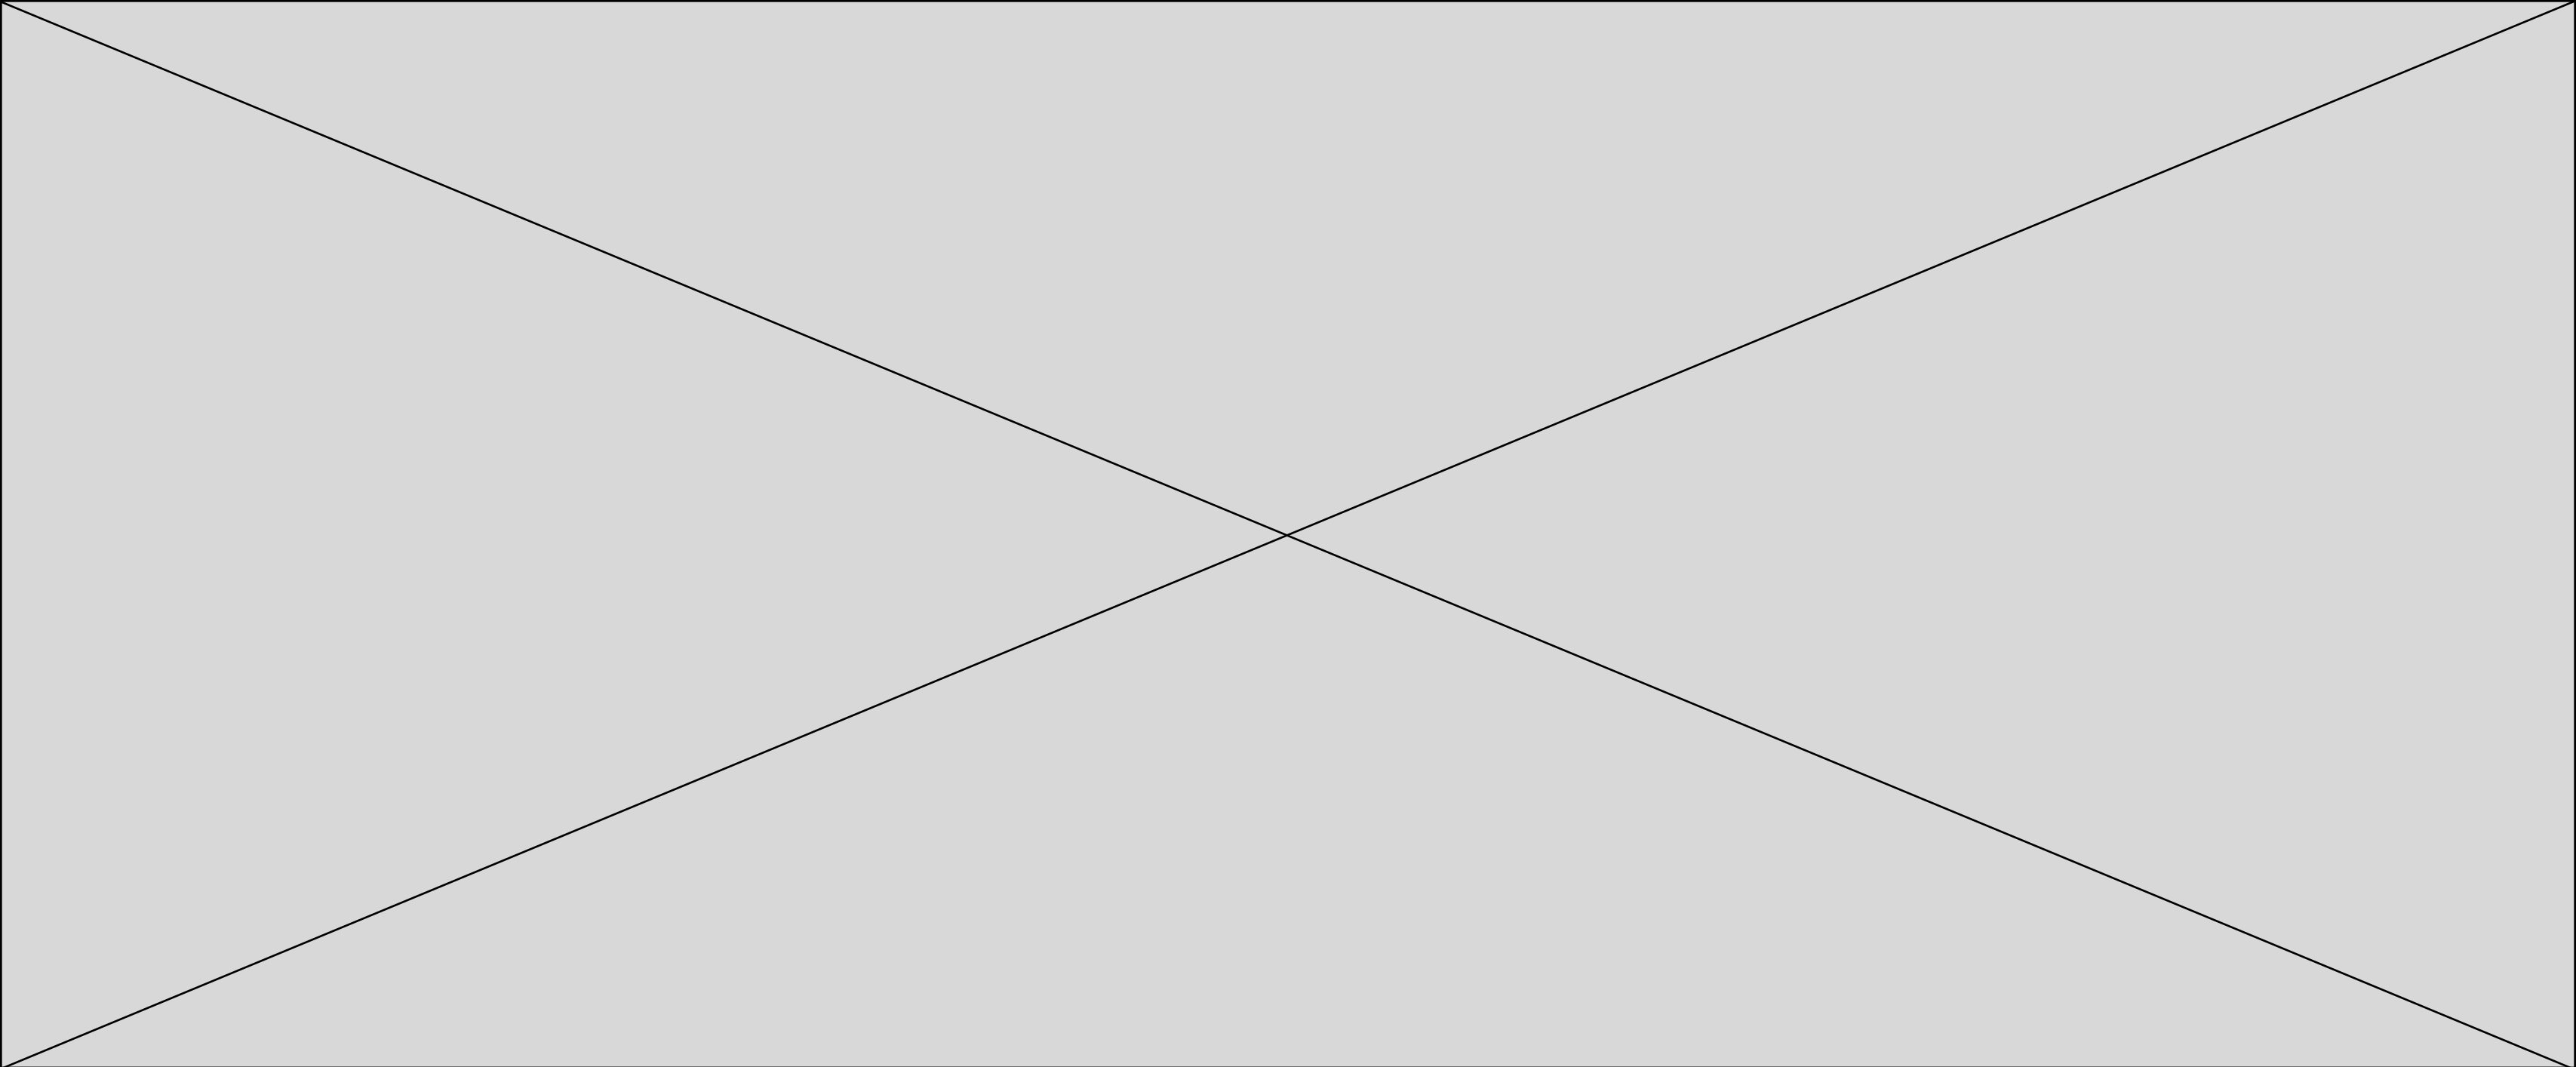

De Velden die deze types nodig hebben zou je moeten kunnen afleiden uit de bijgevoegde wireframes.

Articles kunnen aan offices gekoppeld worden en hebben tags uit een taxonomy lijst waarop gefilterd kan worden.

Offices hebben een country veld waarop gefilterd kan worden.

Het is de bedoeling dat je een custom theme opzet en een basis responsive layout voorziet met behulp van sass.

De menu balk versmalt als je naar boven scrolt en blijft fixed staan.
